Thank You for Your Support

Hello Friends,

On behalf of the Pacific Dental Services Foundation, thank you!

Throughout 2020, we have been able to positively impact the lives of many, including patients with special needs who have never been able to find care before visiting [Dentists for Special Needs](#).

In the first annual Stroll for Special Needs virtual 5k supporting Dentists for Special Needs, we received over \$107,700 in contributions. With Pacific Dental Services® matching \$80,000, over \$187,700 was raised for the PDS Foundation Dentists for Special Needs office! Your generous support helps

patients with special needs find a home for oral healthcare.

Since 2016, we have awarded 79 [scholarships](#) to dental assistant students across the country providing them financial assistance and mentorship as they become the next generation of servant-hearted dental assistant leaders.

Although we weren't able to serve on the [mobile dental clinic](#) or visit the communities of [Fiji, Guatemala and Ethiopia](#) we hope these programs will return next year!

It's never too late to donate! Visit us at pdsfoundation.org to help support our four

programs. Be sure to follow us on [Instagram](#) to hear from students, patients and volunteers on how the Foundation has positively impacted their lives.

Thank you for your support and Happy Holidays!.
